Resolution.

Since it has been our very great pleasure to hear the inspiring address of Mrs. Washburn, representing the Woman's Christian Temperance Union. Therefore, be it resolved that the Pacific Annual Conference of the Methodist Episcopal Church, South, rejoices in the splendid achievements of the Woman's Christian Temperance Union, and that we recognize especially the indebtedness of the entire country to them for the very great force and influence that they have contributed towards the abolition of the liquor traffic.

Resolved further that we realize as they also realize that their work of reform and uplift is by no means finished; and that we thoroughly appreciate the gigantic obstacles that lie in the way of the stupendous task that is yet before them; and that in the continuance of their noble work, we pledge to them our prayer and sympathy and our most cordial co-operation; and in the name of Christ our divine leader, we bid them go bravely and steadily on until every social evil is obliterated from our land.

Be it resolved further that we are thoroughly awake to the nefarious effort adroitly devised to nullify the 18th Amendment by lax law enforcement; and we pledge ourselves and our people to do all in our power for the adoption of the Wright Bill in the approaching election.

D. HARRISON.

Resolution.

In appreciation of the information which has been brought to our conference by Dr. Pinkerton, Exective Secretary of the California Church Federation, and

Inasmuch as we are in hearty sympathy with the work of the California Church Federation, believing that this well directed organization is promoting inter-church comity and service and the mutual interests of the several Protestant denominations, and is making possible the cumulative power of interdenominational co-operation; and

Inasmuch as we fell the supreme need for Protestant co-operation and unity of action in making a determined and effective impact on the liberal and irreligion population in the State of California.

Be it resolved that we endorse the work of the California Church Federation, and that we as the Pacific Conference vote an appropriation of three cents per capita for the financial support of the aggressive program of the Federation work of the State with the condition that at least four of the leading Protestant Denominations concur in giving support to the Federation on the above basis. CHURCH EXTENSION.

To the Bishop and Members of the Pacific Annual Conference, in session at Stockton, California, Oct. 15, 1921.

Dear Brethren and Fathers:

Your Conference Board of Church Extension desires to submit the following report:

The Board of Church Extension continues to make very favorable progress. The total income from all sources for the year ending March 31, 1921, was $1,450,769.51, about $397,000.00 of this coming from the Centenary, while that of the previous year was $1,324,061.31.

We are glad to note that plans are maturing all the while for the building of new churches and parsonages in our own Conference. Your Board stands ready at all times to render all possible assistance to every such enterprise.

In view of the urgent need in our own field, your Conference Board respectfully asks that a special of $300 be levied against the Pacific Conference, said sum to be used in the bounds of our awn Conference.

We would remind you of the very attractive investment that the Loan Fund Department offers. The Board of Church Extension is prepared to accept any sum of money or good property, to pay the investor for life an annuity ranging from 5 to 9 per cent, according to the age of the annuitant. Any may render appreciative service by sending the Secretary of the Board the names of persons you feel might be interested in this important matter.

We desire to urge the importance of all applications to the Board for aid being made out in proper form. Otherwise, you cannot hope to get the aid asked for.

Respectfully submitted,
J. J. N. KENNEY, Chairman.
CHAS. P. MARTIN, Secretary.

EDUCATION—REPORT NO. 1.

To the Bishop and Members of the Pacific Annual Conference in Seventy-first Annual Session Assembled:

Your Conference Board of Education having had under consideration the matter of the educational needs of Methodism on the Pacific Coast, and more particularly the relation our church bears to the situation existing by reason of the attendance of many young people from our church homes at the University of California, hereby offers the following resolution, and moves its adoption:

Resolved, First, that the Pacific Annual Conference of the Methodist Episcopal Church, South, in Seventy-first Annual Session assembled, hereby authorizes and directs the formation and due organization of a corporation, under the laws of the State of California, to be known and styled "The Board of Trustees of Epworth University Church of the Methodist Episcopal Church, South, Berkeley, California," said corporation to take, and hold in trust, for said Methodist Episcopal Church, South, all property relating to, belonging to, or to be acquired for said "Epworth University Church," located at Berkeley, California, said property to be used in the furtherance of the religious and educational work of said church at, or near, the University of California.

Second. Said corporation shall consist of thirteen (13) trustees, selected at large from the State by this Annual Conference, in each annual session assembled, provided that each Presiding Elder's district in the State shall have at least one representative on said Board.

Three. It is hereby directed, and the Articles of Incorporation of said Board shall so provide, that the Trustees of such Board, and their successors in office, shall be eleced in the manner prescribed by the laws of the State of California, only after nomination by this Annual Conference, and the Secretary of the Conference shall at once, after each annual session, notify the corporation of the names of the nominees of said body.

Fourth. The term of office of such trustees shall be three years, provided that the following trustees, and their respective terms of office are hereby nominated and designated for and to serve as the first Board of Trustees of said church:

C. M. Goethe, Sacramento, three (3) years.
C. N. Hawkins, Hollister, three (3) years.
J. F. Niswander, Fresno, three (3) years.
L. W. Jefferson, Berkeley, three (3) years.

funds now in its hands or hereafter received, which have been, or will be, contributed for said Epworth University Church.

Seventh. That the Trustees of California Junior College be, and it is hereby directed to transfer to said Board of Trustees of Epworth University Church, the title to all property held by it and to transfer and deliver all money and funds it may have for the promotion of the work of said church, as soon as said Board of Trustees shall be incorporated.

EDUCATION—REPORT NO. 2.

We, the Board of Education of Pacific Conference, have had under consideration reports concerning the Christian Education Movement from the General Board of Education and from the Conference Educational Secretary, and respectfully offer the following recommendations:

First. We are gratified at the spdendid progress that has been made towards the attainment of the five objectives of the Christian Education Movement. When all of the conditions are taken into account, we believe that what has been accomplished is little short of marvelous. It is a great tribute to the faithful service and loyalty of the preachers and people participating.

Second. We desire to emphasize that the campaign is not closed and must not be until the entire quota for this Conference is raised. If our institutions needed $33,000,000 a year ago, the Movement has multiplied that need by awakening in our people a desire for Christian education. The schools of the Church last year turned away 5,000 for lack of facilities; they probably have lost much more heavily this year for the same reason. We are, therefore, in the midst of an incompleted task. Every charge in Methodism has been assigned a definite part in a great co-operative effort of the Church to solve its educational problem, and it is hereby declared to be the policy of Pacific Conference to regard the quotas assigned heretofore as standing against its respective charges and districts until they are raised, or until the campaign shall have closed.

Third. That the Presiding Elders in the first round of Quarterly Conferences in answer to the question, "What is being done for Christian Education?" secure accurate reports from pastors and church collectors or directors concerning the quota and the amounts already subscribed, and concerning the general economic condition of each charge. We further recommend that wherever practicable arrangements be made to finish the Every-Member Canvass in churches which have not raised their quotas. The full amount of each quota should be subscribed, if possible, by the General Conference of 1922.

Fourth. That we urge our people to pay promptly their educational subscriptions when they fall due, that pastors and Presiding Elders do what they can to secure prompt payment, and that as most subscriptions fall due November 1st, we fix the first week in November as Pay-Up-Week. The schools and colleges of our Conference are sorely in need of money, and as a means of relief the co-operation of pastor, Presiding Elder, and people is urged in an effort to secure the prompt payment of pledges.

Fifth. That if Church Collectors in any charge or charges have not been appointed, they should be elected at the first Quarterly Conference of the ensuing year.

Sixth. That where the original pledge cards have not been sent to the Educational Secretary the pastor arrange to have them sent to him at an early date.

Seventh. That W. G. Fletcher be appointed as Conference Educational Secretary.

REPORT NO. 3.

We rejoice in the continued success of the College of the Pacific, and heartily reciprocate the fine brotherly spirit shown by its able president, Dr. Tully S. Knoles. We urge all our preachers to commend the college to all our people who desire to secure the best influences under which their children may pursue a Christian education.

We also recommend the appointment of Arthur Bonner as professor in the College of the Pacific.

In view of the financial pressure which the Conference labors under in the present educational campaign in connection with the Epworth University Church, it seems scarcely practicable to continue the present financial relationship of the Pacific Conference and the College of the Pacific beyond the meeting of the Annual Conference of 1922.

SUNDAY SCHOOLS.

We have great cause for rejoicing in the encouraging fact that the increase in our Sunday school enrollment last year in the Church at large was the largest for any single year in our history. The number of Sunday school pupils converted and brought into the Church during this same period was larger than for any previous year. Missionary offerings in the Sunday school have more than quadrupled during the last three years.

We should be stimulated by these facts to undertake the task of organizing our Sunday school forces in the Pacific Conference for more thorough and effective work. The large increase of pupils, the amount raised for missions and the growing interest in teacher-training are indisputable evidences of progress during the past year. We take special pleasure in speaking of the successful session of the Standard Training School conducted in Berkeley set up by the Local Board of Control and efficiently directed by the Dean, Rev. Moffet Rhodes.

The Conference Sunday School Board urges all the Sunday schools throughout the Conference to use our denominational literature and requests that the pastors see to it that their respective Sun-

day schools authorized one qualified person to make all orders, that confusion may be avoided.

We recommend that the Sunday school page be continued in the Pacific Methodist Advocate with Mrs. S. M. Cheek as editor; and we also recommend that J. A. Smith be hereby appointed as the representative of our Conference in the Denominational Counsel of the California Sunday School Association.

Inasmuch as too much emphasis cannot be given to the training of Sunday school teachers, we urge the organization of teacher-training classes in every charge, and that all the pastors give their hearty support to the Standard Training School which will be conducted in the summer. From one to five teachers from each charge should be in attendance, but this much desired end cannot come to pass without the enthusiastic co-operation of every pastor and superintendent. Last year there were eighty-two credits given throughout the Conference and ten diplomas were received, one of them a blue seal.

Three out of five of the departments of our Sunday school work are provided for in our Conference organization in the capable leadership of Dr. Chas. D. Bulla, Superintendent of the Young People's Department; Rev. James T. French, Superintendent of Teacher-training Department, and Mrs. R. U. Waldraven, Superintendent of the Elementary Department.

We cordially commend Rev. J. E. Squires, our beloved Field Secretary, for his faithful services and his solicitous interest in every department of our Sunday school activities; and Mrs. R. U. Waldraven for the efficient way in which she carried on the work, not only in her own department, but also in the Department of Teacher-training. We gratefully acknowledge our indebtedness to Rev. W. H. Nelson for publicity given the Standard Training School and for the promotion of Sunday school interests through the columns of the Advocate.

The Board is asking the Commission on Finance for an assessment of $1,000 to be apportioned among the districts.

Balance in the Treasury at the end of the Conference year.....$ 97.93
Received from Sunday School Day offerings 237.75

(Signed) C. R. HOWARD, Chairman.
J. A. SMITH, Secretary.

EPWORTH LEAGUE.

To the President and Members of the Pacific Annual Conference, your Epworth League Board submits the following report:

After a careful survey of the last year's work of our Leagues, we wish to commend the young people of the Conference for their splendid achievements in the League work. And we appreciate most fully the faithfulness and ability of the retiring cabinet, and their work.

We heartily endorse the Epworth League Institute held at Mt. Hermon, California, last August. This was a great success, and is growing in numbers and usefulness.

And in order to carry the League work forward, we earnestly request of the Conference an apportionment upon the charges of $1,000 to meet the expenses of our increasing needs. This apportionment is no increase, but just the same as last year.

We congratulate our Leaguers on their fine spirit and excellent work done.

MOFFETT RHODES, Chairman.
DOUGLAS T. REED, Secretary.

CHRISTIAN LITERATURE.

Dear Brethren:

We have no official report from our Publishing Agents at Nashville. But we judge from the verbal statements made by Mr. W. C. Everette, the representative of the Dallas House, that the past year has been a prosperous one in the general business of our Publishing interests, at Nashville, and at both the branch houses; and in this we rejoice.

We rejoice also to note, that the great central organ of the Church, the Christian Advocate, maintains such a high standard of literary and spiritual worth, and we recommend that our pastors make diligent efforts to increase its circulation. It is with special gratitude and pleasure that we call attention to our own Pacific Methodist Advocate. Its scintilating paragraphs, and finished editorials, rich in thought, and athrob with spiritual life and power, make it worthy a place in every home in our constituency. We wish to express our thanks to Rev. W. H. Nelson, its editor, for his efforts through its pages, to safeguard the great fundamentals of our faith against the encroachments of plausable and insidious error. We thank God that our paper stands squarely by the Word of God and the "Faith of our Fathers."

We recommend that where it can be done, that our pastors, and official boards, put the Pacific Methodist Advocate into their budget and place a copy in every home.

We heartily endorse and recommend the Methodist Quarterly Review, edited by Rev. Gilbert T. Rowe, D. D., to our preachers and people. It is a gem in things literary, and with a fine outlook in Philosophy and Theology. It takes high rank among publications of its kind.

In this restless age we are confronted with many uncertainties. We know not just what turn events may take, but of one thing we are certain, and that is, that the people are reading, and are going to continue to read the printed page. But the call of business and labor is so imperative, the call of pleasure so insistent, and the blandishments of the world so persuasive, that people are on the move so continuously, that they read in snatches, so that the daily papers and periodical literature are much in demand, because people can read them on the run. We think it providential that at this time, and in this crisis, our General Conference made provision for our General Conference Board of Christian Literature, and gave instructions for the preparation, publication, and circulation of Tract Literature. Christian teaching put in short, sharp, crisp form that may attract the eye and grip the mind.

In response to this providential call, our General Board of Christian Literature has already issued a number of tracts, put up in a neat and attractive form, and dealing with important doctrines of our holy religion, and questions pertinent to the times.

These tracts can be secured at very cheap rates of one and two cents each. We suggest that it will be wise for our pastors, and Christian workers to supply themselves and scatter them broadcast where specially needed.

Respectfully,

J. M. WEEMS,
D. HARRISON.

AMERICAN BIBLE SOCIETY.

The American Bible Society Board submits the following report:

The Bible is the one great text-book of Christianity. Without it the Church could not hope to succeed either in the homeland or in foreign fields. Inasmuch as this Book is universally needed in the home, Sunday school and church, wherever Christianity goes, it requires a strong publishing agency to supply the demand and sell the Scriptures at reasonable prices.

The American Bible Society has undertaken the task and is supplying our American churches in a satisfactory way. It is our co-laborer in the spread of the gospel in all lands.

Just at this time our Church will need a larger supply of Bibles than ever before to meet the demands in new fields that we are entering. Other Churches are also drawing heavily upon this agency.

We recommend that the Pacific Conference, as in other years, give its hearty endorsement to the work of the American Bible Society, and that our Conference Commission on Finance make an assessment of $350.00 for this cause. And we further recommend that all of our churches in the Pacific Conference observe November 27th as Bible Day and take generous offerings for the American Bible Society.

GEO. M. GARDNER, President.
H. C. ALLEN, Secretary.

TEMPERANCE AND SOCIAL SERVICE.

To the Bishop and Members of the Pacific Annual Conference:

Your Board of Temperance and Social Service offer for your adoption the following preambles and resolutions:

I.

Whereas, the liquor interests of California have referendumed the Wright Law, passed by the late session of our State Legislature as an enforcement measure of the 18th Amendment to the Constitution of the United States, with a view to defeat of said measure and prevent the enforcement of the said Constitutional Amndment, and

Whereas, there is great danger of the success of these anarchists, thus perpetuating the reign of lawlessness already begun, and placing a blotch on the fair name of our beloved State.

Resolved, that we pledge the preachers and membership of the Methodist Episcopal Church, South, in the bounds of this Conference to use our utmost endeavors to so educate public sentiment that the purpose of these enemies of law and order may be defeated and our State placed on record as being loyal to the Constitution of the United States. That, until this State enforcement law becomes effective we will co-operate fully with the local officials in enforcing the so-called "Little Volstead" ordinances adopted by various counties and municipalities. And that we condemn in the strongest possible terms those newspapers and politicians who encourage officers of the law to disregard their oaths by refusing to enforce the National Constitution.

II.

Whereas, recent exposures in the Movie Colonies of Los Angeles and elsewhere show the demoralizing effect of the business upon

the actors, and reveal the fact that a larg proportion of the most popular among them are debauches and otherwise morally debased; and

Whereas, many of the films exhibited in the moving picture shows are calculated to, and do inspire sensuality and crime among the young, be it resolved,

1. That we protest against the patronage by our people or their children of shows where actors of known immoral or questionable character participate, or where the play is such that it will exert other than a wholesome influence. Of amusement we would not deprive them, but let their amusements be such as build up, rather than pull down.

2. That we will endeavor to influence the managers of the various local theatres within our bounds to decline to put on plays participated in by actors of questionable character, or such as can but have an evil influence upon our children.

3. That we favor government censorship of moving picture films.

III.

Whereas, the industrial problem continues unsettled, and thousands upon thousands of laborers are on strike, or are threatening to strike, while millions are unable to obtain employment, and

Whereas, it appears that in some instances employers are to blame, as they decline government intervention, and in other instances it is as evident that the demands of labor are unreasonable;

Resolved, that we will continue to insist upon employers following the Golden Rule in dealing with their employees, and employees considering the interests of their employers as well as their own, and that both parties have regard for the interests of the public.

We recommend the appointment of A. T. O'Rear as a member of the Executive Board of the Anti-Saloon League of California.

Further, at the request of Noah H. Cooper, Chairman of the Southern Methodist Sabbath Saving Crusade, we offer the following:

Resolved, that the desecration of our Lord's Sabbath Day is imperiling the safety of our nation. Working for profit seven days in the week will destroy the religious life of any man, state, or nation.

As a nation, just as well as states, cities and individuals, we should recognize the Sabbath as God commands; and we should not license or permit city, state or inter-state, or national business or profit on Sunday. It is now enslaving millions and teaching millions more the Satanic slavery of Sabbath breaking. Our government should not use physical force to make men pray, nor study the Bible, nor go to church, but it should see that a Sabbath Day's rest is secured by law to every person under its jurisdiction. This is necessary for our physical, moral and financial growth and safety; as has been preached by our best statesmen, and decided by our United States Supreme Court, and by our State Supreme Courts for generations past. A nation that violates the Sabbath regularly is as sure to go to ruin as that Israel went to Babylon and Continental Europe to war.

We hereby approve the National Sunday Law proposed to our President and Congress July 14th, 1921, by Noah W. Cooper, and others as committees from our Tennessee Annual Conference and eighteen other Annual onferences of our M. E. Church, South, to stop all inter-state Sunday trains, newspapers, mails and Federal

work for profit and secure a Sabbath Day's rest for all, excepting emergencies of charity and necessity. We recommend that a committee of three, to-wit: C. D. Bulla, R. U. Waldraven and S. A. Ledbetter, be elected to co-operate with like committees from other conferences and organizations to secure the enactment of this law and public sentiment to support it. We urge the co-operation of all Christians. We urge all our preachers and members to preach often and to practice scrupulous obedience to the Sabbath commandment.

The Sabbath is God's day of rest for all to lay aside all worldly money-making pursuits and to teach religion in our homes, in public meetings, to our children and to all. To neglect this prime duty, as is being so generally done, means death to our dearest hopes, liberties, treasures and nation. We must act now, or soon it will be too late.

We request our General Conference, meeting at Hot Springs in 1922, to endorse the said proposed National Sunday Law, presented to Congress July 14th, 1921, as above stated and to take suitable action to have this Sabbath Saving Crusade carried on to righteous victory in public sentiment and public law throughout our nation; and through us to all people, as God commands and as our Versailles Peace Treaty urged upon all nations.

We request that our delegates present a copy of this resolution to our General Conference as a memorial from us.

W. P. ANDREWS, Chairman.
J. W. HORN, Secretary.

STATE OF THE WORK.

These are times that test the mettle of the Church. The backwash from the War has resulted in an unsettled condition that is appalling. In the world everywhere there is a letting go of the old time standards of morality and social justice. Already men are talking about the next war and preparations are being made for it.

The failure of America to live up to the exalted idealism that moved her to enter the War has brought the criticism of the world upon us so that it is now being said that "America has not a friend among the nations of the earth today." These signs are ominous. For this condition there is but one remedy, namely: the gospel of our Lord Jesus Christ. We need to cry out with stentorian voice against the evils of the day.

Methodism is, in a peculiar way, charged with the responsibility of lifting again the banner of the Cross; and while we would not be provincial, we must say that our branch of Methodism is responsible in an unusual way, for we have kept untainted the channels of gospel power.

Therefore, we rejoice in the tokens of progress that come to us at this Conference. There is a marked advance all along the line, and for which we thank God and take courage.

The net increase in membership, while not large, is encouraging.

The increase in pastoral support is gratifying. It is impossible for men to stand up and preach the gospel in a forceful and effective manner if penury and want stare them in the face constantly.

There have been several new churches opened this year. The beautiful and well equipped Wesley Hall is a source of gratification to all our people who are interested in the spiritual condition of that

great city beside the Golden Gate, where the Orient and the Occident meet and each goes his separate way.

We especially rejoice in the splendid leadership of our beloved Bishop, which has made possible the amount of work that is now being done in this great cosmopolitan area.

But with all this, there is a sad lack of revival fervor and evangelistic zeal. Varying shades of fanaticism have come upon sections of this great State, and the hunger of heart in so many of our people makes them suitable subjects for the follies of fanaticism and the beguiling teachings of the "isms."

Barren altars witness against us, that we have not been true to the ideals of Methodism. Every Methodist preacher ought to be a storm center of revival power, and we call upon our preachers and our people everywhere to join together in prayer that the incoming year may be one of great revival success.

A. T. O'Rear, J. M. Weems, G. H. Frazer, O. C. Coppage.

DISTRICT CONFERENCE RECORDS.

To the Bishop and Members of the Pacific Annual Conference:

Dear Brethren: We, your committee, have had before us the records of the several District Conferences and find that the minutes have been recorded.

We suggest that the books be indexed in order to make information more accessable and that closer attention be given to indicating the chronological order of Conference at beginning of minutes.

Respectfully submitted,
B. H. Mobley, W. R. McPherson, C. W. Long.

CONFERENCE RELATIONS.

This committee recommends the following brethren be granted the superannuate relation:

A. Adkisson, L. J. Amos, Joel Hedgpeth, Joseph Emery, W. T. Goulder, James Healy, W. P. Andrews, Henry Neate, Z. J. Needham, O. P. Noble, P. F. Page, J. M. Parker, B. E. H. Warren.

We recommend that O. L. Russell, Mark Hodgson, and W. E. Vaughan be granted the supernumerary relation.

We find after a careful inquiry into the cases of A. S. Cecil, W. F. Coffin, J. F. Totten, and J. W. Taylor, that they are in good health and so far as we can ascertain are effective men, and that this committee has no authority or law to recommend for them the supernumerary relation.

It is the sense of this committee that the name of Mrs. T. H. B. Anderson be added to our Conference Claimants list.

It is the further sense of this committee that any preacher of our Conference who quits the active ministry to engage in secular work and who is not disabled to the extent of preventing his doing the work of a pastor and preaching should ask his brethren to give him an honorable location.

E. H. Mowre, W. A. Orr, H. C. Allen, L. W. Hendrickson, Chas. D. Bulla, B. L. Sutherland, W. J. Lee.

Memorials to the General Conference

Whereas, The General Conference of 1918 created the General Board of Finance, and instructed it with all diligence to proceed to raise adequate Superannuate Endowment, and

Whereas, said General Conference gave the right of way during the quadrenninum 1918-22 for organized campaigns to raise many millions of dollars for the Missionary Centenary and the Christian Education Movement, and limited the effort of the General Board of Finance to secure funds for Superannuate Endowment during said period to the usual and ordinary methods of obtaining contributions for benevolent purposes, and

Whereas, The General Board of Finance during 1918-22 has found the Church so thoroughly in the grip of the organied campaigns, as stated, that it has been impossible to increase the funds for Superannuate Endowment in such measure as to provide adequate support for the conference claimants, and

Whereas, the conference claimants of the Church have continued patiently to suffer as they have suffered through the entire history of the Church, on account of the lack of proper support, and

Whereas, The General Board of Finance, organized under the direction of the General Conference, incorporated under the statutes of Missouri, and located in the city of St. Louis, has become strongly and firmly established, thoroughly equipped and competent to handle large funds, and

Whereas, The General Conference of 1918, and the consensus of opinion of practically all other Church leaders, have by strongest implication at least, held out the hope that the ensuing quadrennium would be given to a special effort to provide adequate support for the conference claimants;

Therefore, be it resolved, that the Pacific Annual Conference hereby memorializes the General Conference of the Methodist Episcopal Church, South, to be held in May, 1922, to give to its General Board of Finance the right of way during the ensuing quadrennium, May, 1922-1926, to carry on a special effort in all of the conferences to raise a minimum of $10,000,000.00 for Superannuate Endowment, the amount raised by the effort to be received and administered by the General Board of Finance, and credited on its books to the General Superannuate Endowment Fund and the respective Conference Superannuate Endowment Funds according to the ratio of division to be determined.

Signed: M. Hodgson, E. W. Lindsay, for the Board of Finance.

To the General Conference of the Methodist Episcopal Church, South,

Dear Fathers and Brethren:

We, the members of the Pacific Annual Conference, in annual session assembled in the city of Stockton, California, this, the 15th day of October, 1921, do hereby memorialize and urgently request your body very early in its coming session in the city of Hot Springs, Arkansas, to appoint at least fifteen members of the General Conference to make immediate and complete inquiry into the needs, demands, prospects, and possibilities of the work of the Church on the border and in the West and the Northwest; and to seek information to this end from the Bishops and other leaders on these fields, examine Conference reports and other records, and to make a report to the General Conference before its adjournment of a plan for the

enlargement, more vigorous and more successful prosecution of the work in these fields.

J. A. Batchelor, S. L. Heisinger.

The Pacific Annual Conference in session at Stockton, California, October 12-15, 1921, respectfully memorialize the General Conference to meet next May, 1922, as follows:

1. To sever and eliminate the word "South" from the corporate name of our Church and to adopt such a word, if it be deemed necessary, instead of the word "South" as will adequately and properly define the genius and spirit of our great world-wide Methodism.

2. That the Bishops be required to reside within the bounds of their respective Districts.

Signed: J. M. Weems, N. F. Johnson, Jas. T. French.

Resolutions

Whereas, We have come to the closing hour of the 71st session of the Pacific Conference,

Therefore, Be it resolved, That it is with a feeling of profound gratitude that we review the work of the year. As your committee has listened to the reports of boards and committees, we have noted that there has been a gratifying net increase in members, a marked advance in finances and a wholesome growth in Sunday School and Epworth League attendance and interest.

Resolved also, That we would express our thanks to Dr. Stonewall Anderson, General Secretary of the Board of Education, for the message of cheer and encouragement which he has brought us in regard to the educational interests of our Church; and also to Dr. Tully Knoles for his very excellent address on Education.

Resolved, That we are also glad to have with us Dr. Chas. D. Bulla, representing the Sunday School Board, and in his retirement from this Board we are happy to receive him into the membership of the Pacific Conference.

Resolved, That we have heard with pleasure the addresses of Mr. Barr and Dr. Briggs of the Anti-Saloon League, and Dr. Mell of the American Bible Society, and also the inimitable address of Rev. Robert P. Shuler on behalf of the superannuates.

Resolved, That we would extend our thanks to the press of the city for the generous space given to the proceedings of the Conference; and we would especially thank Mr. England of the Record for his many courtesies to the Conference.

Resolved, That we thank the proprietor of the Hotel Sutter, where most of us have made our home, for the uniform courtesy which we have received in his house.

Resolver, by the request of the Statistical Secretary, That we thank Prof. J. R. Humphries of the city for valuable assistance which he has personally rendered with his adding machine.

Resolved, That upon his retirement from office of Conference Treasurer, we would express to Rev. C. Todd Clark our very hearty thanks for the seven years' of patient and efficient service which he has rendered in this capacity.

Resolved, also, That we express our very cordial appreciation of

the arduous and accurate work done by our Conference Secretary, Rev. L. P. Shearer, and his able corps of assistants.

Resolved, That we express our appreciation of the hospitality of Grace Church in the use of its building, and also that we heartily thank the ladies of the Missionary Society for the elegant and abundant lunch which they have so beautifully and graciously served at the noon hour of each day, and to the young peoples choir of Grace Church, and to Brother Orr, our chosen leader of song, for the splendid service of song with which they have introduced the evening exercises of each day. Also we would express to the courteous and Christ-like pastor of Grace Church, our own beloved J. A. B. Fry, our very generous appreciation of his constant and tireless attention to us individually and as a body.

Resolved, That we thank Bishop DuBose for the impartial and brotherly spirit in which he has presided over the Conference. In view of his constant and strenuous toil, we would, without impertenance, implead our beloved Bishop that when all his Conferences for the year have been held, he will leave somethings undone, retire to some quiet place and at least for a little time take a much needed and greatly merited rest.

Resolved, That we are in cordial sympathy with the message concerning world-wide peace brought to us by the Rev. Wm. C. Allen of the Federal Council of the Churches of Christ in America; and we heartily endorse the resolution of the World Methodist Conference in recent session in London, which, in part, is as follows: "Speaking in the name of and on behalf of 32,000,000 followers declares without hesitancy or reservation its belief in the absolute necessity for international disarmament and the complete abolition of war," and further, we, the Pacific Conference of the M. E. Church, South, heartily commend the calling by President Harding of a council of nations in the city of Washington to consider world-wide disarmament.

Resolved, That we sincerely deplore the failure of America to become a member of the League of Nations at the proper time; and we hope that America without further unnecessary delay will enter the League, and we pray that God will speed the time when the drumbeat of war will be heard no more; but when above the federated nations of earth the song that was sung over the plains of Bethlehem will be sung agin; not as a sweet prophesy but as a sublime fulfillment of prophesy.

Glory to God in the highest and on earth peace and good will towards men.

D. HARRISON, Chairman.
G. C. Emmons.

Resolver, That we, the members of the Pacific Annual Conference, of the Methodist Episcopal Church, South, in session assembled at Stockton, Calif., October 12-16, 1,921, recognize the necessity of censoring the moving picture business both in the production and when it is on the screen.

We also urge our preachers and people to do everything in their power to close up the movie theatre on Sunday.

(Signed) W. H. NELSON.
JERRY JETER.

Whereas, it has been the good fortune of the western part of our great country to share in the life labors of our much beloved and wonderfully efficient Bishop DuBose, be it

Resolved, by this, the 71st session of the Pacific Conference of the Methodist Episcopal Church, South, in session at Stockton, this 13th day of October, 1921, that we do hereby memoralize the College of Bishops as they shall come together in the next regular sitting, to deal considerately with us in the land of the setting sun, and if under providence, they may, to return to us for another term of service and labor among us, Bishop DuBose, for it is the unanimous consensus of this body in session, with all love and due appreciation to those who have gone before, that no man scarcely could visualize the needs and like a seer or a prophet and a savior with courage dare fulfill these needs like our own beloved Bishop Horace M. DuBose. Indeed we deem it expedient for the conservation of religious forces in this wonderful section of our country with resources so vast, that we be permitted to continue our work under a leadership so wise, so devoted, so true.

C. A. GERMAN,
D. HARRISON.

MEMOIRS.

Rev. Jesse Wood.

Rev. Jesse Wood was born in Georgia in the year 1839. In early life he attended, and was graduated from, Emery and Henry College, Virginia. At the age of twenty-one he entered the ministry of the Methodist Episcopal Church, South. He was admitted into full connection into the Alabama Conference in 1862.

During the first year of his ministry he was united in marriage with Miss Alice Catherine Tison of Alabama.

In 1868 Brother Wood came to California under transfer to the Pacific Conference, and rendered efficient service for a number of years, when he retired for a season to engage in educational and journalistic work with marked success. He then re-entered the active ministry and served with ability and acceptability a number of appointments until forced by age and infirmity to accept the superannuate relation in 1906.

For several years he was totally blind, but through all his affliction he remained cheerful, patiently awaiting his release which came on July 17, 1921, at the home of his daughter, Mrs. Hazel Waterman, in San Diego, Calif

COMMITTEE ON MEMOIRS.

Rev. Henry M. McKnight.

"My social life has been happy.
"My family life has been delightful.
"My spiritual life has been victorious.
"I love the Church; I love my brethren

"Jacob said, 'few and evil have been the days of my life.' On the contrary, I can say, many and blessed have been the days of my life. I have had blessings only all the way. I am ready to go; I am ready to stay."

It was on Thursday afternoon, August 4, 1921. He was to go under the surgeon's knife next morning, with very little hope of surviving the operation. I was with him by appointment, to receive instructions as to his funeral, and a final message to his brethren, to be embodied in his memoir. I never knew him to be more calm, less anxious. After making known to me his wishes and discussing his life, he summed up his message in the words above given.

What more could one ask? The entire field is covered. Duty was his watchword, and to perform it in every relation of life was his delight. He was no shirker, nor was he a complainer. Cheerfully did he go about every task. He claimed to have no hardships, and yet those who knew him well know that his life was full of sacrifices. He counted it a pleasure to sacrifice for his Lord and Master, his Church, his friends, for his fellow-men.

I knew well the three godly women who successively became his wives. Their faith in him knew no bounds, and it was fully justified. A better husband no woman could ask. He was a stranger to hypocrisy, and yet ever considerate of the feelings of others. As a citizen he took a lively interest in whatever he deemed to be for the good of the community, but only in such a manner as becometh one whose

chief work was that of an ambassador of Christ. As a pastor he was hard to equal. Every detail of church work received his careful attention. As presiding elder, while fully sympathizing with the preachers serving under him, the good of the church received first consideration. In the school room, as College Agent, as Agent for the Pacific Methodist, as such work was committed to him by the Church, he gave himself fully to the work committed to him. What his hands thus found to do he did with his might, and success crowned his labors.

He wrought heroically, he suffered heroically. After the failure of his health, only himself and God knew the extent of his sufferings. He did not speak of them, and, as far as possible concealed them from his friends. He continued to suffer in silence unto the end. On the evening of his departure, when the angel of death had taken hold of him, his devoted wife said to him, "Dear, you won't be with us long; you will soon be with the dear Heavenly Father." He replied, "I have been talking to Him about it for a week, and about the people." He especially mentioned the names of his associate workers in the San Pablo Park Mission, Berkeley, this being his especial care at the time.

Henry Montesquie McKnight, son of M. A. and R. L. McKnight, was born March 5, 1851, near Murfreesboro, Tennessee. Shortly after his birth his parents moved to Missouri, where he lived for over twenty years. The son of pious parents, he received his religious impressions' around the home fireside and in the Sabbath school, both of which he wrote, "he honors today, and will defend with his last breath."

Quoting him further: "He was happily converted at a grove meeting held in Sarcoxie, Missouri, his home, near the old Cave Spring camp ground. For weeks he was so full of glory and of God that he wished to declare it to all he met. But then came that strange feeling, so unexpected, yet so familiar to some of you, a feeling of loneliness, responsibility without ability to meet it." He was called to preach, but unequal to the task. For two years he pondered and studied, then surrendered and the joy of salvation returned and never again left him. He immediately set about to prepare himself for his life work. The way opened for his entrance to Central College, Fayette, Missouri, where he remained for three years, when his health failed and he left school. This was in 1873. He came to California, where he taught school for five years. Before leaving Fayette, however, he was licensed to preach. So while teaching he preached, as a local preacher, while superintending a Sunday school, and then as a supply.

He was thrice married. His first wife was Miss Ella F. Tuck, whom he married at Princeton, Calif., June 17, 1875. For twenty-two years she shared his labors and his trials, proving herself a helpmate indeed. So eager was she to perform her duties as a preacher's wife that she took the theological course with him at Vanderbilt University. She was called to her reward towards the close of his four years' pastorate in Oakland. His second wife was a sister to the first, whom he married July 11, 1899—Mercie A. Tuck. She was not less devoted than her sister, and, as her health permitted, performed well her part. After several years she too was taken. While serving the Los Banos charge, on October 4, 1915, feeling the need of a help-mate, he called to his side Miss Emma F. Anderson, a cousin of Dr. T. H. B. Anderson, a most devoted servant of theChurch, who

had been raised in a preacher's home. Very happily they labored and suffered together for more than six years.

When the Redwood Tabernacle was opened at San Pablo Park, Berkeley, Bishop DuBose asked Brother McKnight to take charge of it. This he did and served it with increasing success until the Lord bade him rest from his labors. His health became such that his only hope, if there was any, was in the surgeon's knife. He came to our Dr. J. C. Robertson, a most skillful surgeon, entering his hospital. The doctor soon determined that he could live only a brief time and with much suffering, without an operation. With it there was a bare possibility of his surviving. After consulting his patient, the patient's wife and sister, it was determined to make the venture. He went under the knife Friday, August 5. A cancer of the colon, of long standing, with complications, had done its deadly work. He lived until August 9, 1921, 10 P. M., when his spirit took its flight, his devoted wife a sister, Mrs. E. E. Pettit of Denton, Texas, and his friend, the writer of this memoir, by his bedside. A little while before the end his sufferings ceased, and he peacefully fell asleep.

At his request, Rev. W. R. Thornton was summoned from Berkeley, who, with his wife and sister, accompanied his body to Woodland, Calif., where it was laid to rest beside the bodies of his loved ones gone before, in the cemetery at that place, Thursday, August 11, 1921.

In addition to the sister mentioned above, two other sisters survive him—Mrs. Lottie Simmons of Carthage, Mo., and Mrs. Minnie Jones, wife of the Rev. J. L. Jones of the Alabama Conference, who lived with her brother as a daughter until her marriage.

In brief, Brother McKnight's record from his entrance into the itinerancy follow: 1876, admitted on trial into the Pacific Conference, ordained deacon as a local preacher, and appointed to Orland circuit; 1879, Maxwell circuit; 1880, Agent for Pacific Methodist; 1881-2, student in Vanderbilt University; 1883-4, Principal Preparatory Department Pacific Methodist College; 1885-8, Woodland, where he built a handsome church; 1889, Lincoln, where another church was built; 1890-91, Agent Pacific Methodist College; 1892-94, Lincoln; 1895-98, Oakland; 1899, San Francisco; 1900, transferred to Los Angeles Conference, Presiding Elder Los Angeles District two years; 1902, Hollywood; 1903, tranferred to Pacific Conference, Linden; 1904-6, Gilroy; 1907-10, superannuate; 1911, Mineral King; 1912-14, Kingsburg; 1915, Dos Palos; 1916-17, Los Banos; 1918, superannuated; 1919, supply at Hopland and 1920 at San Pablo Park, Berkeley. Was ordained elder at Santa Rosa in 1880.

W. P. ANDREWS.

Sister Emery.

Sarah Esther Emery, nee Finlay, was born in the State of Missouri September 10th, 1842. With her parents she came across the plains to California at the age of ten. One year later she suffered the loss of her mother. When eleven years old she was converted and soon after joined the Methedist Episcopal Church, South.

When seventeen years of age this young woman was happily married to the Rev. Joseph Emery, then in the second year of his ministry as an itinerant Methodist preacher, and with him she walked in useful happiness for the remarkably long time of sixty-one years. She was the mother of nine children, four of whom have preceded her to the heavenly home.

Regarding such a life as that of Sister Emery, no words could be employed that would add luster or do more than faintly portray its long years of consecrated toil and devotion for her loved ones, for her God and for his kingdom on earth.

Left in tender years without the love and care of a mother and with several little brothers and sisters in a land that was pioneer, she was obliged to assume duties and responsibilities intended only for shoulders of maturity; she was a mother to the little ones and a comfort to her stricken father; the service of these years was discharged in such a faithful manner as to prepare and peculiarly fit her for the arduous duties of the wife of a Methodist preacher, with all that term implied in the pioneer days of this land—days when the foundations of an empire were being laid in the great West. The little orphan girl, serving in obscurity in those trying years was being prepared for a vital part in a great drama, of which she little dreamed.

It was not the lot of our ascended sister to sway multitudes or be prominent in affairs of Church and State; but while such a part was being played by her unusual husband, Doctor Emery, she was a Martha, and in that worthy role she furnished inspiration and encouragement to her mate and companion.

In the lonelinesss and obscurity of the life of an itinerant preacher she stood between her little ones and a privation that often reached the hunger point; the hands that now no longer move accomplished the wonder of making one dollar do the work of three or four; her lips, now silent, moved only to bless and cheer; the dear heart, now stilled, ever beat true to her children, to her mate, to her God and to his people.

With rare and intelligent power this good woman loved the good and pittied the erring, making both know more of the Christ whose she was, and whom she served as one who was saved and kept by his power divine. She knew the pinch of poverty, the chill of protracted loneliness, the want of inadequate home comforts and all the other vicissitudes incident to a journey of above three score years by the side of a militant, itinerant preacher who was never known to shirk a duty or shun a task as he went preaching the gospel of Christ from Canada to Mexico and from the Sierras to the sea.

The life of our departed sister is all the more remarkable in that she was denied, in youth, those advantages considered essential to successful living and wise motherhood; her unusual success in life is explained in the fact that in early years she laid hold on the powers of Almighty God, whom she knew as Father, Friend and Counselor.

A record of even the high points in the long life of this remarkable woman would fill a volume; truly it may be said that her life work is already written, not on perishable paper and stone; but in the unfading memory of those who knew her, whether they be still on earth or on the other shore. She has no need of praise or eulogy of men: "her own works do praise her in the gates." The full record is in the Lamb's Book of Life. When the books are opened up there what a record hers will be! She is not dead; no earthly power could destroy such a life or mar its memory; against trying odds she unconsciously built up through the long years, a monument that will abide even when time shall be no more.

The life of Sister Emery constitutes a challenge to the heart of every normal human being who will weigh certainties against things of doubtful worth. The banner that she carried never touched the

ground until death itself chilled her hand; none but the pure and noble of soul are worthy to grasp it.

The life of this worthy Christian woman was obscure; but triumphant and her death was glorious. The body that was often denied the bare comforts of life has been laid aside for one made like unto His own glorious body, one that is clothed upon with righteousness: the eyes that were sometime dim will be renewed with the brightness of everlasting day; the lips that cheered and blessed others in the long journey here below will be attuned to angelic strains of heavenly song; she, who had no dwelling here below that she could call her own, has been called to the city that hath foundations, whose builder and maker is God, where there is a place for her, prepared by Him who said, "I go to prepare a place for you."

W. G FLETCHER.

Mrs. F. M. Staton.

Mary Emily Webster was born in Savannah, Missouri, September 17, 1845. She came with her parents across the plains to California in 1852. They settled and made their home in San Ramon. On October 19, 1863, she was married to Rev. F. M. Staton. They had first met each other at one of the old camp meetings at Sebastopol, the place where Sister Staton had lived for several years prior to her death. She passed away on December 20, 1920, while on a visit to her daughter, Mrs. Jessie Varney of Oakland.

The funeral service took place from her late home in Sebastopol, California; and the remains were laid to rest beside her husband in the beautiful cemetery at Healdsburg.

Following the death of Brother Staton, Sister Staton lived for several years with her son, O. F. Staton, at Healdsburg. It was my good fortune to live in their home for nearly four years while pastor at that place. She was a mother to the young preacher in almost the same sense that she was to her own son. Her mother's home had been the home of preachers, and so was her own.

"Ma" Staton, as we all loved to call her, was most affectionately adored by her family. She was indeed worthy of it all. The affection between her and the son who lived with her was simply beautiful, and her going was a hard blow to "Doc." How strong are the ties that now bind our hearts to that heavenly land, where she has gone to await the coming of those she loved and left.

Sister Staton was a lifelong Christian and member of the M. E. Church, South. She was steadfast in the faith, truly devoted to her Church and its work; and in every way lived as she believed. She was a sister of the late Mrs. J. W. Potter of Clovis, California. She has left four sons and two daughters: Frank of Butte City, Calif.; O. F., principal of the Sebastopol grammar schools; Avery B., of Petaluma, Calif.; Ansel, of Berkeley, Calif.; Mrs. Cora Bonney, of Portland, Oregon, and Mrs. Jessie Varney, of Oakland, Calif.

Inspired by the faith and example of their dear mother, may each one of them, through the grace of the Lord Jesus Christ, some day be reunited with her in that "better land."
